

# Defining "The Region"

COG Board of Directors 2003 Retreat  
July 26, 2003

# Membership of the Metropolitan Washington Council of Governments

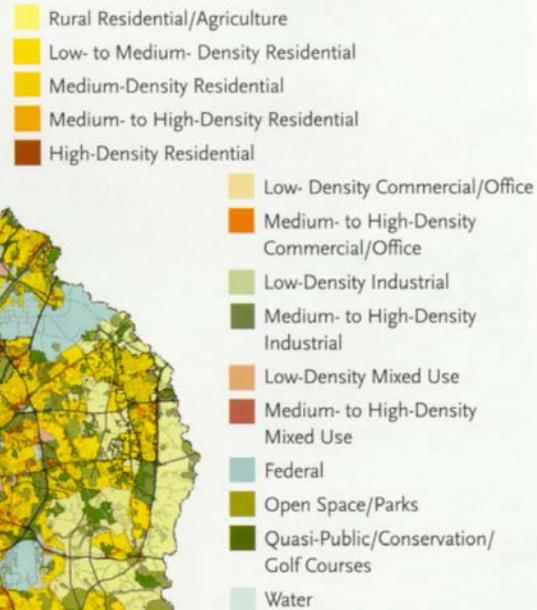

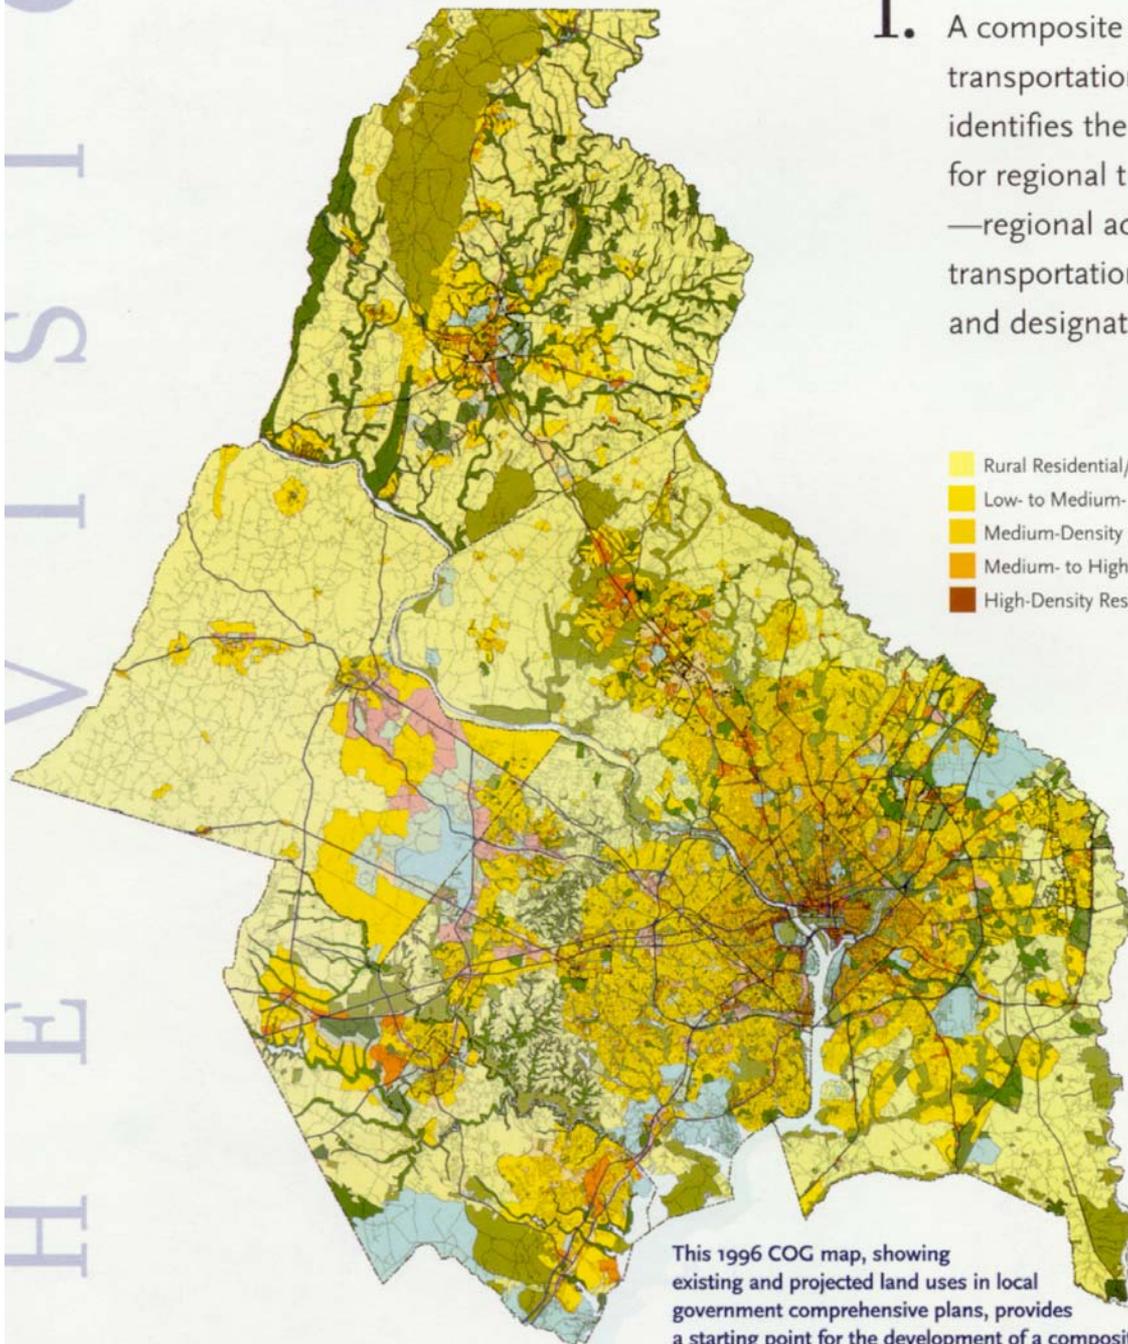

## "Wedges and Corridors"

1960s Federal  
Policies Plan  
for the Year 2000

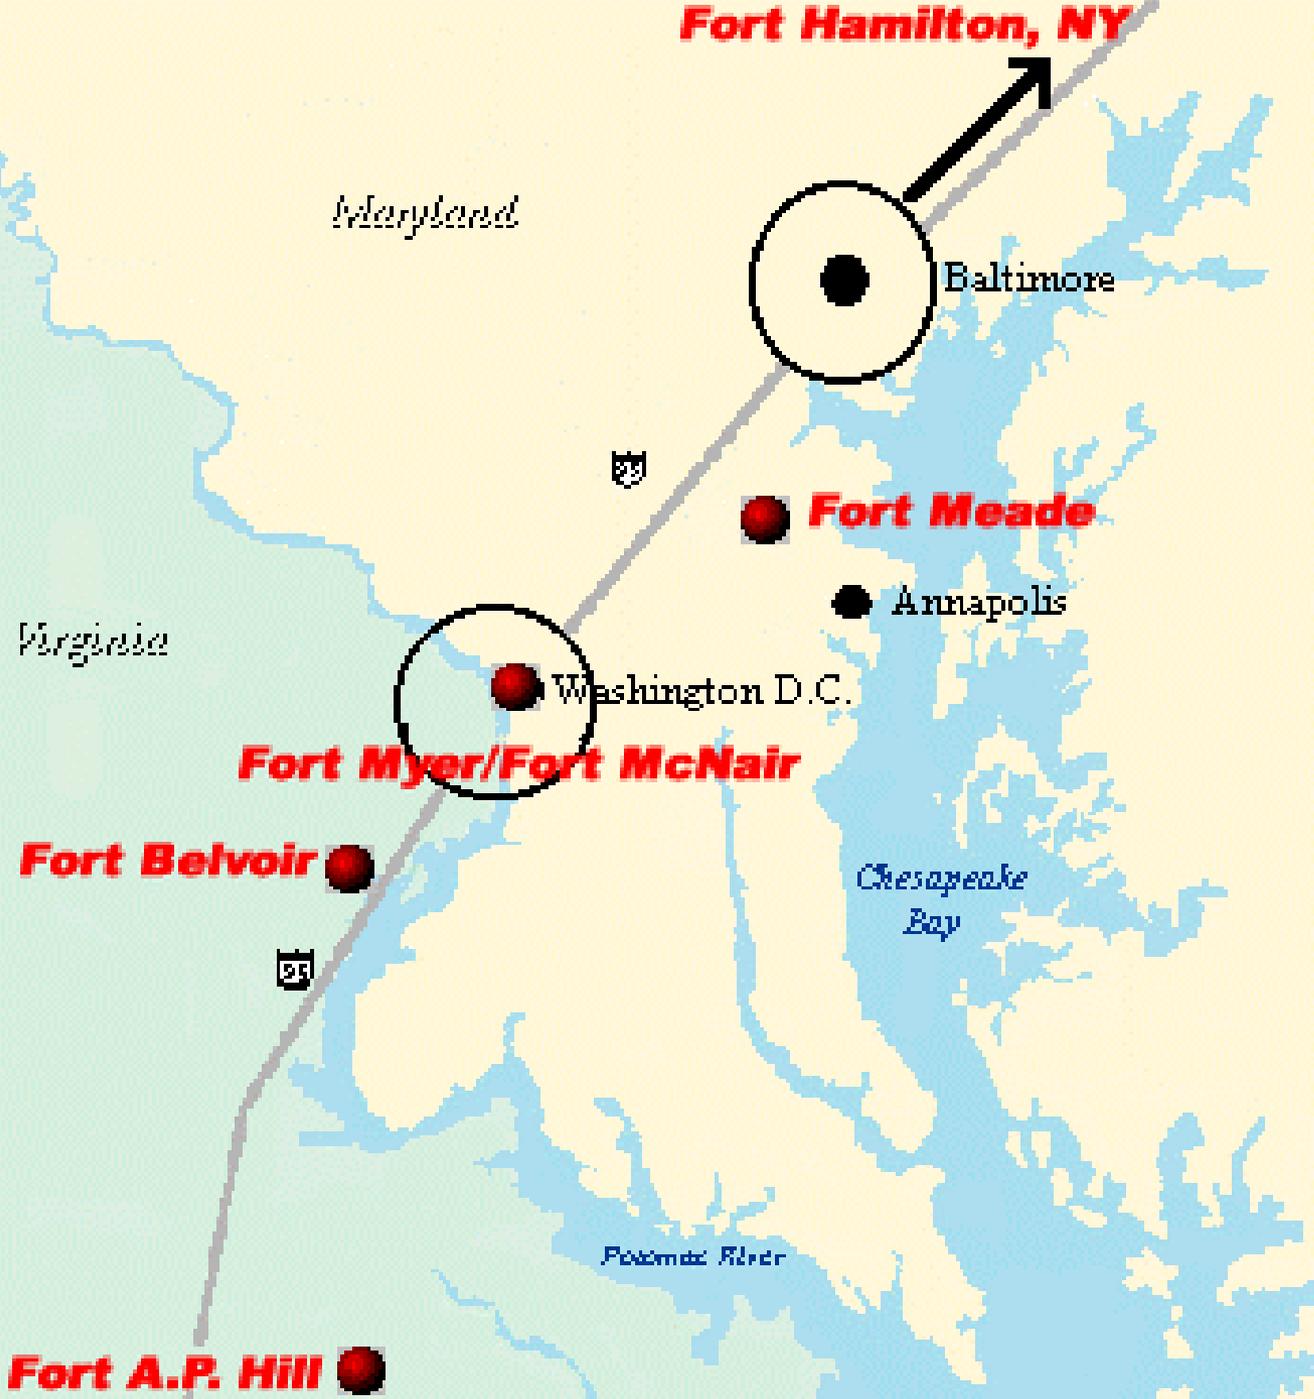

1. A composite general land use and transportation map of the region that identifies the key elements needed for regional transportation planning —regional activity centers, principal transportation corridors and facilities, and designated “green space.”

**Fort Hamilton, NY**

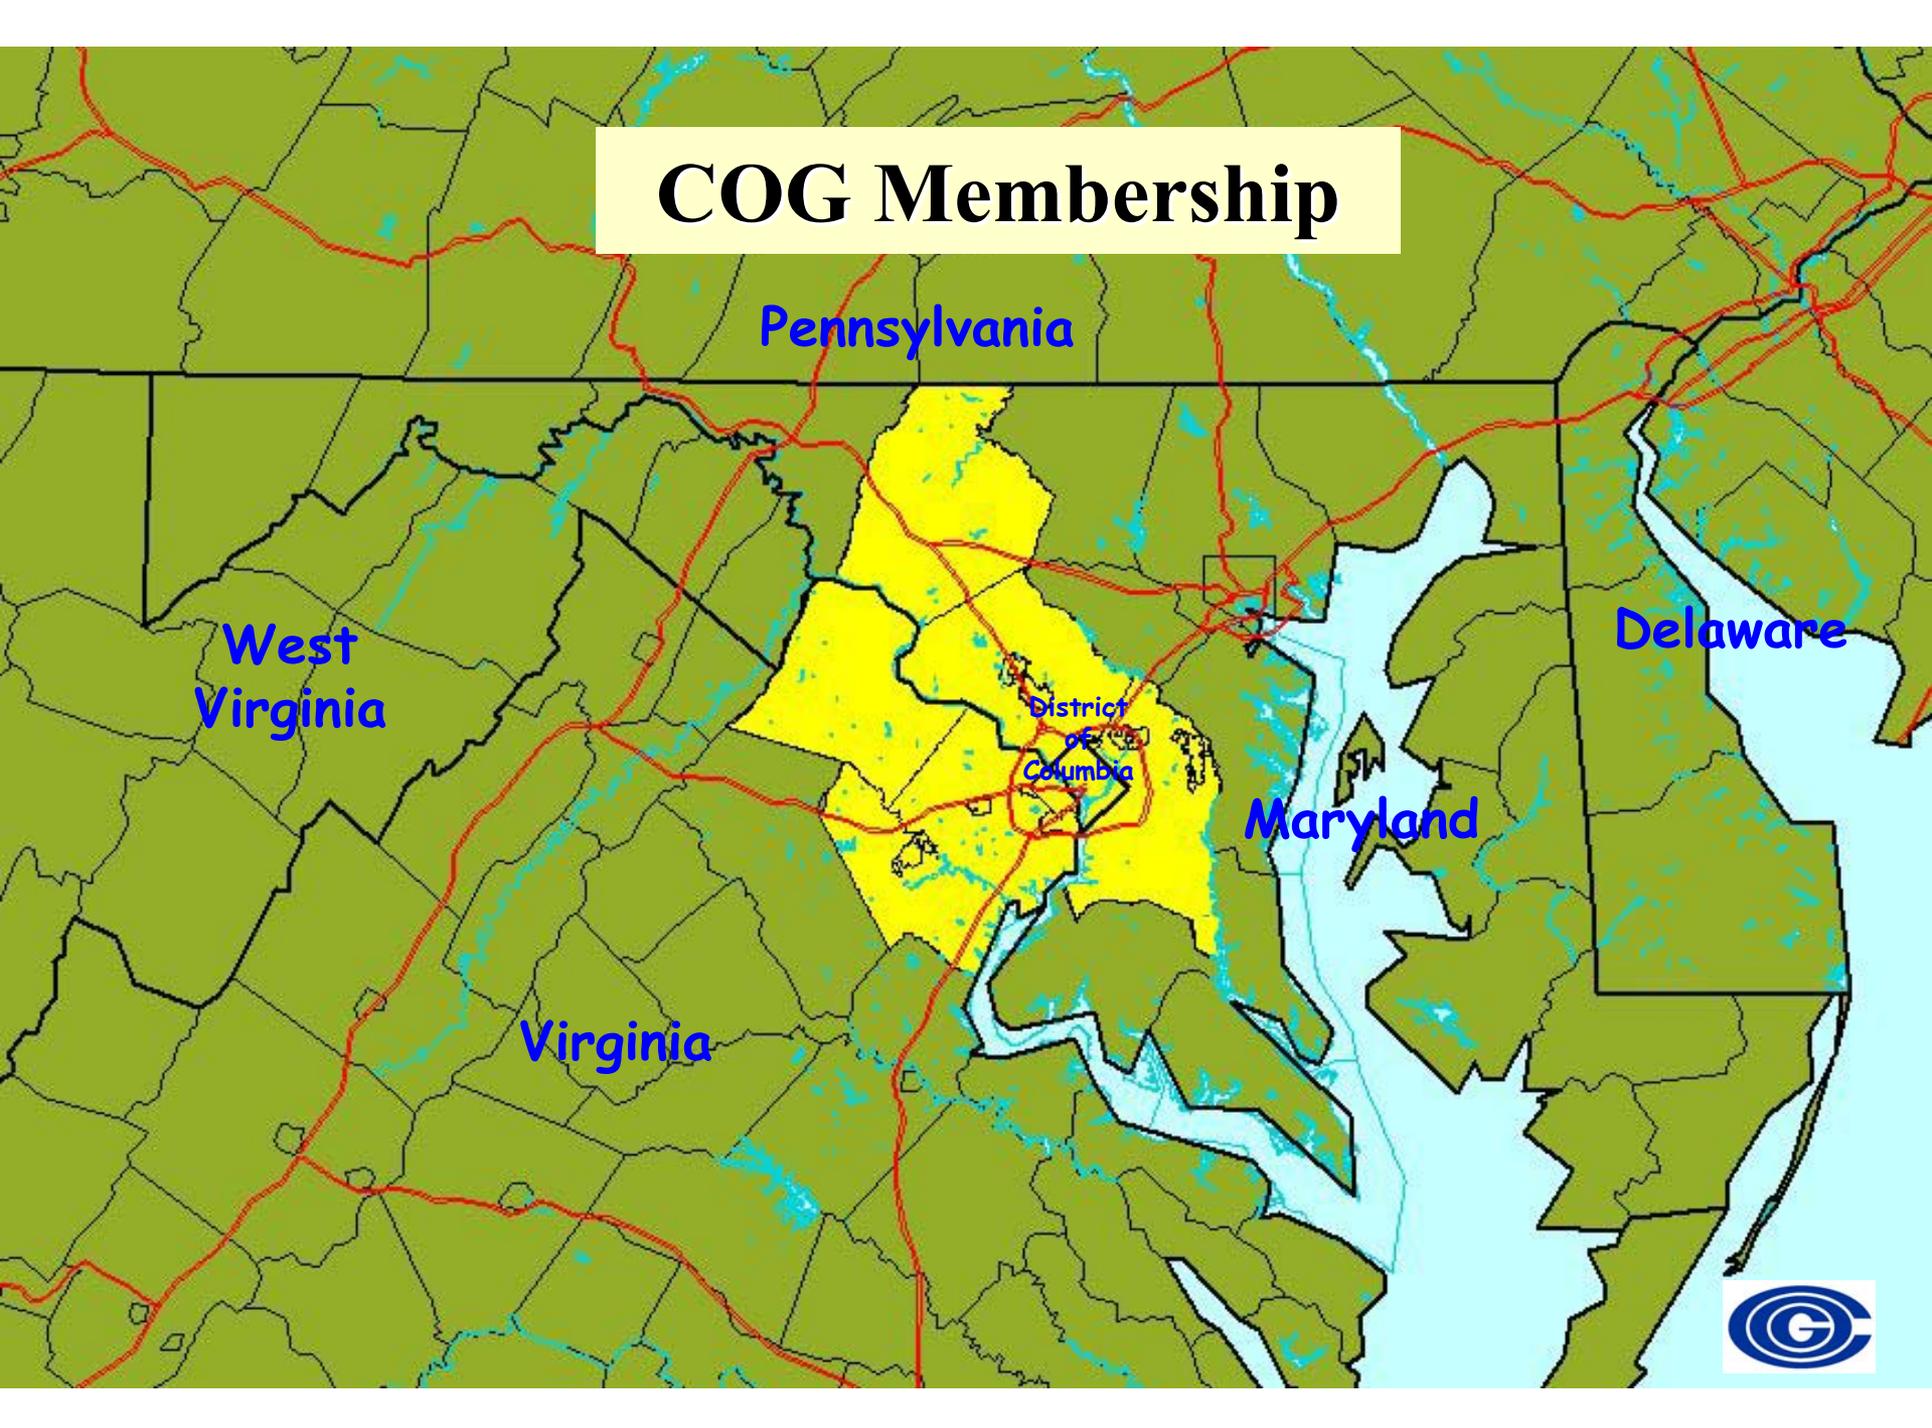

# U.S. Army Military District of Washington
