

## Proposed Greater Washington 2050 Outreach, Comment and Action Schedule

### June/July 2009

- Greater Washington 2050 outreach presentations to all COG member counties and several cities, and several stakeholder organizations.
- Greater Washington 2050 presentation to COG annual leadership retreat, July 31 – August 1.

### August

- Additional Greater Washington 2050 outreach presentations as requested/required to ensure broad COG member and stakeholder engagement.
- COG staff will incorporate guidance from the COG leadership retreat and prepare a draft Greater Washington 2050 report and recommendations, incorporating proposed Greater Washington 2050 Compact, goals, targets and performance indicators, as well as proposed COG governance and work plan activities.

### September

- Additional Greater Washington 2050 outreach presentations as requested/required to ensure broad COG member and stakeholder organization engagement.
- Staff draft Greater Washington 2050 report and recommendations will be distributed to the Greater Washington 2050 Coalition for review and comment.
- Concurrent presentation and comment opportunity on the staff draft Greater Washington 2050 report and recommendations to COG policy, program and technical committees, including Chief Administrative Officers Committee.

### October

- Greater Washington 2050 Coalition review of staff draft report and recommendations, October 2; the Coalition will be asked to approve for a six week comment period.
- Coalition draft report and recommendations will be transmitted to all COG member governments and key stakeholder organizations for comment. COG will aggressively advertise and promote opportunities for comment.
- Coalition draft report and recommendations will also be posted on the COG web site for comments; comments due November 13.

### November

- Comments due November 13.

### December

- Greater Washington 2050 Coalition will meet to incorporate comments and adopt final report and recommendations for action by the COG Board of Directors, December 11.
- COG staff will prepare final Greater Washington 2050 report and recommendations.

### January 2010

- COG Board of Directors action on final Greater Washington 2050 report and recommendations, January 13, 2010.
- COG Board of Directors action on FY 2011 work program and budget (July 1, 2010 to June 30, 2011), incorporating Greater Washington 2050 activities related to program and technical support.

### January/February

- Endorsement action on Greater Washington 2050 Compact by COG member governments and key stakeholder organizations.

### March

- Greater Washington 2050 Compact signing ceremony and press conference, March 10.

### May

- COG Board of Directors action on proposed governance recommendations to incorporate policy and program tasks related to Greater Washington 2050 implementation.

### July

- Implementation of governance and work program activities in support of Greater Washington 2050 report and recommendations, July 1.
