10:15 Best Practices Roundtable

Over the last few years, several regions have embarked on growth initiatives – which include preferred growth scenarios, growth agreements and compacts, and civic participation components. Presenters from three noteworthy efforts – the Denver Regional Council of Governments' *MetroVision 2020*, the San Diego Association of Governments' *Blueprint Program*, and the Northern Illinois Planning Commission's *Chicago 2040* – will provide snapshots of their programs, including implementation and results to date, factors for success, and lessons learned.

Speakers: *Ron Thomas, Consultant, Chicago 2040*
Jill Locantore, Communications Specialist, DRCOG
Robert Leiter, Director of Land Use and
Transportation Planning, SANDAG

11:20 Report of Regional Survey and Communications Task Force

During the first meeting of the Greater Washington 2050 Coalition, members discussed the need to establish a work group to make recommendations concerning the regional survey and communications / outreach.

11:45 Next Steps, Discussion of Future Agenda Items
