

Technical Corrections to TIGER II Grant Application: A Regional Bike-sharing System for the National Capital Region

Updated: August 25, 2010

1. Page 14 (17 of the pdf), Selection Criteria, Primary Criteria 3: Livability, “The scope of impact for the project is regional”:
The second sentence currently reads: The bike-sharing system will generate more than 650 billion bicycle trips (2011-2030).
CORRECTION: The bike-sharing system will generate more than 650 million bicycle trips (2011-2030).
