Approval of Submission of a Regional Priority Bus Application for Funding under the Transportation Investments Generating Economic Recovery (TIGER) Competitive Grant Program of ARRA

**Staff**

- Recommendation:**
- Receive briefing on the proposed components of a regional priority bus application as described in the attached materials.
  
  - Approve Resolution R5-2010 endorsing the inclusion of the project components in a regional priority bus application, and approving the submission of this application under the TIGER program by the due date of September 15.

**Issues:** None

**Background:** The TPB Scenario Task Force met on July 1 to review the project components submitted by TPB member agencies for a regional priority bus application under the TIGER competitive grant program of ARRA. Since the submission of an application is due September 15, before the September 16 TPB meeting, the Board will be asked at the July 15 TPB meeting to approve the submission of the grant application with final components selected from the enclosed set of proposed project components. Selection of the final project components will be based upon final application information on each of the proposed project components which is scheduled to be received from TPB member agencies by August

1, 2009. The final application will be presented to the TPB Steering Committee for review and approval at its September 4 meeting.
