12:00 noon to 2 p.m.

COG- Rooms 4/5

Interim Chair: Doreen Thompson
D.C. Taxicab Commission

Agenda

1. Introductions

Doreen Thompson

2. Discussion of Proposed Structure for a TPB Regional Taxicab Regulators Task Force

Ron Kirby and Doreen Thompson

A proposed structure written by TPB staff will be distributed at the meeting for the group to review. This proposed structure was developed based on the mission statement and bylaws created by Causton Toney and the group prior to the involvement of COG/TPB but are too detailed and formal for TPB purposes.

TPB staff suggests that the document be discussed at the meeting, distributed to the e-mail list for comments, and finalized at the next Regional Taxicab Regulators meeting on May 17, 2007. The proposed structure could then be presented to the TPB for approval on June 20, 2007.

3. Nominations for Chair

Doreen Thompson

A chair will need to be identified for the Task Force. Doreen Thompson agreed to serve as an interim chair for this meeting. Nominations and/or volunteers for the chair position will be encouraged. The chair will work with TPB staff on setting agenda items and chairing the meetings. At the last meeting the group supported the chair serving a one-year term and the chair position rotating between D.C., MD and VA.

4. Discussion of Edits to the Draft Reciprocity Agreement

Doreen Thompson

The draft reciprocity agreement was also created with Causton Toney and the group prior to COG/TPB involvement. The group should discuss the status of the edits and what the next steps are for making additional changes.

5. Next Meeting Date: May 17, 2007 1:00 p.m. to 3:00 p.m. at COG
