<u>Time allotted</u>	<u>Topic</u>	<u>Presenter</u>
5 minutes	1. Call to Order, Welcome and Introductions	Joan Kelsch , Chair Arlington County
25 minutes	2. ICC Final Action Hearings Follow-up Report	Leah Boggs , COG, IMT and Attending Jurisdictional Staff
25 minutes	3. Green Building Inventory Report The draft report will highlight relevant regional trends such as green buildings found in Regional Activity Centers and near regional transit stations. The draft report seeks to clearly show what types of green buildings are common in the region and where they are located.	Leah Boggs , COG John Mataya , COG Ryan Hand , COG Intern
30 minutes	4. Alexandria's EcoCity In January 2007, the City Council charged the City's Environmental Policy Commission with designing and managing a new strategic environmental planning process, <i>Eco-City Alexandria</i> , to address environmental issues that have emerged since 1998. These issues include climate change, rising energy costs, aging stormwater infrastructure, Chesapeake Bay watershed protection, recycling, and green building design.	Khoa Tran , Alexandria, Office of Environmental Quality (Invited)
20 minutes	5. Green Affordable Housing Database As an outgrowth of COG's Region Forward efforts, its Department of Community Planning and Services (DCPS) will be developing a database of green	John Mataya , COG

affordable housing units in the region. One of Region Forward's targets is for all new residential and commercial buildings to meet LEED Silver equivalent standards by 2012. DCPS plans to work with jurisdictional environmental and housing departments to enumerate the region's current inventory of green affordable units. This data will assist COG in its efforts to measure the region's progress in creating and maintaining green residential and commercial buildings.
