The Eastern Federal Lands Highway Division (EFLHD) has developed the attached FY 2025 – FY 2028 Transportation Improvement Program (TIP) Annual Update to describe those transportation projects that will be primarily implemented within the boundaries of the Federal Land Management Agency (FLMA) units located in your state. The Federal requirement under Title 23 U.S.C. § 204 requires that the TIP be developed as part of the transportation planning process for all Federal Lands projects.

The attached spreadsheet contains an overall list of the projects in your State that are currently programmed to be funded through the Federal Lands Transportation Program (FLTP), the Federal Lands Access Program (FLAP), or funds directly managed by the various FLMA partners. This list is also placed on the EFLHD website (<https://flh.fhwa.dot.gov/programs/flpp/tip/efl.htm>) to provide an easily accessible reference and information for citizens, affected public agencies, transportation agencies, private providers of transportation, and other interested parties.

Through this transmittal, we are seeking your assistance in transmitting the EFLHD's FY 2025 – FY 2028 TIP Annual Update to your State Department of Transportation for inclusion (preferably as an appendix) into their Statewide Transportation Improvement Program (STIP) and to applicable Metropolitan Planning Organizations (MPO) for inclusion into their respective Transportation Improvement Programs (TIPs). If you have any questions or comments regarding the contents of this EFLHD TIP, please contact Mr. Lewis Grimm, Planning Team Leader, at (703) 404-6289 or [Lewis.Grimm@dot.gov](mailto:Lewis.Grimm@dot.gov).
