

Meeting Highlights

TPB Technical Committee – September 4, 2026

The Technical Committee met on Friday, September 4. Meeting materials can be found here:
<https://www.mwcog.org/events/2026/9/4/tpb-technical-committee/>

The following items were reviewed for inclusion on the TPB's September agenda:

DMVMOVES SERVICE GUIDELINES

The committee received a briefing on the work of the DMVMoves working group developing a regional set of service guidelines and performance measures for public transportation. Following a recommendation of the DMVMoves Plan adopted in November 2025 and endorsed by the TPB in January 2026, the TPB will be asked to adopt the set of regional service guidelines in September.

PBPP: BRIEFING ON THE DRAFT PERFORMANCE MEASURE TARGETS FOR TRAVEL TIME RELIABILITY

The committee received a briefing on the draft two- and four-year targets for Level of Travel Time Reliability – Interstates, Level of Travel Time Reliability – NHS Non-Interstates, and the Truck Travel Time Reliability Index, as part of the federal Performance Based Planning and Programming (PBPP) requirements. TPB will receive this briefing on the draft targets in its September meeting.

The following items were presented for information and discussion:

UPDATE TO THE NATIONAL CAPITAL REGION TRANSPORTATION PLAN AND TRANSPORTATION IMPROVEMENT PROGRAM AMENDMENT AND ADMINISTRATIVE MODIFICATION PROCEDURES

The committee received a briefing on the draft updates to the National Capital Region Transportation Plan and Transportation Improvement Program Amendment and Administrative Modifications Procedures. TPB will receive this briefing during its October meeting.

BIKE AND PEDESTRIAN PLAN

The committee received a briefing on plans for updating the National Capital Region Bicycle and Pedestrian Plan, last updated in 2022.
