

TRANSPORTATION SAFETY SUBCOMMITTEE

Tuesday, May 12, 2026
1:00 - 3:00 P.M.
Virtual

Chair: Christine Baker, Arlington County Vision Zero

AGENDA

- 1:00 P.M.** **1. WELCOME**
Christine Baker, Arlington County Vision Zero
- 1:05 P.M.** **2. MDOT COMPLETE STREETS QUICK-BUILD PROGRAM**
Quinn Wallace, Active Transportation Planner, MDOT
Shane Sarver, Bicycle and Pedestrian, MSHA
- MDOT staff will brief the subcommittee on MDOT's Complete Streets Quick-Build Program, launched in 2024, that uses short-term, easy implementable projects to pilot improvements and address existing BRU safety needs. These innovative projects quickly implement small parts of larger capital projects or test the impacts of larger projects on a smaller scale.
- 1:30 P.M.** **3. DDOT SAFETY PROJECTS**
Christine Mayeur, Associate Director of Multimodal Safety Engineering Division, DDOT
- Ms. Mayeur will brief the subcommittee on DDOT's Annual Safety Program (ASaP), an annual process of selecting priority safety locations for engineering interventions. The briefing will include an overview of the site selection process, prioritization models, scope, and timeline for the program.
- 1:55 P.M.** **4. CITY OF ALEXANDRIA SPOTS PROGRAM**
Silas Sullivan, Complete Streets Coordinator, City of Alexandria,
- Mr. Sullivan will brief the subcommittee on the City of Alexandria's efforts using quick-build materials to accelerate mobility and safety improvements. Overview of key projects recently implemented will be shared that support the City's Complete Streets, Safe Routes to School, and Vision Zero initiatives.
- 2:20 P.M.** **5. DESIGNING FOR ALL USERS**
Meg Young, Deputy Director of Active Transportation and Micromobility, MDOT
- Meg Young will brief the subcommittee on the state of Micromobility in Maryland, including basic concepts to understand about the emerging mode. The

Reasonable accommodations are provided upon request, including alternative formats of meeting materials.
