

## TRANSPORTATION SAFETY SUBCOMMITTEE

Monday, November 17, 2025  
1:00 - 2:45 P.M.  
Virtual Meeting

Chair: Christine Baker, Arlington County Vision Zero

### AGENDA

- 1:00 P.M. 1. WELCOME**  
*Christine Baker, Arlington County Vision Zero*
- 1:05 P.M. 2. INTRODUCTIONS**  
*Christine Baker, Arlington County Vision Zero*  
A. Name & Agency  
**Recommended Action: Introductions and Discussion**
- 1:15 P.M. 3. OVERVIEW OF BICYCLIST-INVOLVED CRASHES IN THE TPB REGION**  
*Janie Nham, TPB Transportation Planner*  
Ms. Nham will brief the committee on findings related to bicycle-involved crashes from the recent update of the Regional Roadway Safety Study. The overview will highlight the number and characteristics of crashes involving bicyclists across the region during the study period (2019-2023). Bicyclist safety is one of six recommended focus areas identified in the study for regional prioritization.  
**Recommended Action: Receive briefing.**
- 1:25 P.M. 4. HIGHLIGHTS FROM THE 2024 AASHTO BIKE GUIDE UPDATE**  
*Megan McCarty Graham, Arlington County Transportation Design Engineer*  
Ms. Graham will provide a briefing on the highlights from the most recent version of the American Association of State Highway and Transportation Officials (AASHTO) Guide for Development of Bicycle Facilities, published in 2024. This new fifth edition, update to previous versions, with nine new chapters and significant updates to inform bicyclist operation and safety, facility design, and traffic control elements.

- 1:50 P.M.**      **5. LESSONS LEARNED FROM DC'S PROTECTED BIKE LANE INITIATIVES**  
*Stacie Desai, District of Columbia Department of Transportation Senior Transportation Engineer*
- Ms. Desai will brief the Subcommittee on lessons learned from DC's protected bike lane initiatives. Since 2021, DDOT has completed over 50 projects featuring protected or two-way protected bike lanes, as part of a broader plan launched in 2020 to build 20 miles of new protected bike lanes over three years. The presentation will cover the team's experiences and lessons learned from the design and construction of the protected bike lanes. DDOT is currently conducting public engagement to inform its Strategic Bikeways Plan, which will guide future investments in safe and connected bikeway infrastructure.
- Recommended Action: Receive briefing.**
- 2:15 P.M.**      **6. TPB SAFETY INVENTORY STUDY AND AUTOMATIC TRAFFIC ENFORCEMENT WHITE PAPER**  
*Tory Gibling, Fehr & Peers Senior Transportation Planner, and Charmelis Reyes, Fehr & Peers Transportation Engineer/Planner*
- Ms. Gibling and Ms. Reyes will brief the Subcommittee on two draft reports developed as follow-ups to the Fall 2024 TPB Safety Summit. The first is the *Benchmarking Inventory Study*, which evaluates local safety efforts against the TPB's Safety Resolution. This report summarizes regional trends, implementation gaps, and common barriers, and offers recommendations to help agencies advance safety improvements. The second is a white paper examining the effectiveness of Automated Traffic Enforcement (ATE) systems.
- Recommended Action: Receive briefing.**
- 2:25 P.M.**      **7. VISUALIZE 2050 UPDATE**  
*Sergio Ritacco, TPB Senior Transportation Planner*
- Mr. Ritacco will provide an update on the Visualize 2050 planning process, its updated schedule for adoption, and how safety is incorporated in the plan's development.
- Recommended Action: Receive briefing.**
- 2:40 P.M.**      **8. ROUNDTABLE UPDATES**
- Jurisdictions and other participants to share safety-related items of interest with the Subcommittee.
- Recommended Action: Share updates.**
- 2:45 P.M.**      **9. ADJOURN**  
The next meeting is scheduled for February 10, 2026, 1:00 PM- 3:00 PM
