Katherine Rainone, TPB Transportation Planner
- The committee will be briefed on the Transportation Resilience Improvement Plan's annual update of the prioritized project list.

10:45 A.M. 6. METROPOLITAN AREA TRANSPORTATION OPERATIONS COORDINATION (MATOC)
Taran Hutchinson, MATOC Coordinator

The committee will be briefed on the Metropolitan Area Transportation Operations Coordination (MATOC) Program, a coordinated partnership between transportation agencies in D.C., Maryland, and Virginia that aims to improve safety and mobility in the region through information sharing, planning, and coordination.

ITEMS FOR INFORMATION

11:15 A.M. 7. REGIONAL TRANSPORTATION RESILIENCE ECONOMIC ANALYSIS

Katherine Rainone, TPB Transportation Planner
David Ryder, Senior Manager, Economics, ICF
Caitlyn Ackerman, Senior Public Policy Specialist, ICF

The committee will be briefed on the results of the recently completed economic impact assessment. Five case study benefit-cost analyses were completed on individual example transportation assets across the region for which no action, low-cost, and high-cost resilience intervention measures were evaluated.

11:40 A.M. 8. 2025 FEDERAL OBLIGATION REPORT

Sara Brown, TPB Transportation Planner

The committee will be briefed on the 2025 Federal Obligation Report. The TPB is required to publish and make available for public review: “An annual listing of projects for which Federal funds have been obligated in the preceding year... The listing shall be consistent with the categories identified in the transportation improvement program.” By providing public access to information on the obligation of federal funds each year, the report enables all to follow the progress of the projects in the MTP and TIP.
