2. **Presentation on the Update of the TPB Participation Plan** 12:10 p.m.
Bryan Hayes, TPB Staff

The Participation Plan, last adopted by the TPB in December 2007, is a Federally required document that provides the framework for public and agency involvement in the regional transportation planning process. The plan was released for a 45-day public comment period on July 10 and the TPB will be asked to adopt the updated plan at its September 17 meeting. The AFA will be briefed on the main elements of the update to the plan, and will be given a chance to comment on it.

3. **Review and Comments on Proposed New Projects and Significant Changes for the 2014 Update to the Financially Constrained Long-Range Transportation Plan** 12:35 p.m.
Andrew Austin, TPB Staff
Wendy Klancher, TPB Staff

Each year the AFA reviews the proposed new projects and significant changes for the Financially Constrained Long-Range Transportation Plan (CLRP) and develops comments and concerns that are then presented to the TPB by the AFA chair. Mr. Austin will give a short presentation on the CLRP and the proposed projects for 2013. Ms. Klancher will review the comments that the AFA provided on the CLRP update last year, and ask the committee for input on what comments the AFA would like to make this year.

4. **Listening Session on Regional Transportation Priorities** 1:00 p.m.
Ben Hampton & Dan Sonenklar, TPB Staff

Transportation Planning Staff will conduct a listening session on how members of the AFA believe the region is progressing toward implementing regional transportation priorities.
