ITEMS FOR THE BOARD AGENDA

9:45 A.M. 3. **DMVMOVES: TPB IMPLEMENTATION ROLE**
Tom Harrington, TPB Multimodal Planning Program Director
The board will be briefed on work to date and next steps of the joint COG and WMATA initiative, DMVMOVES. This initiative brought the region together to develop a unified vision for transit in the region with a goal to provide a seamless, connected, safe, frequent, and reliable transit system with a dedicated and sustainable source of funding for all transit operators. The TPB supported the initiative and will have an opportunity to provide input on planned next steps.

10:00 A.M. 4. **REVIEW OF OUTLINE AND PRELIMINARY BUDGET FOR THE FY 2027 UPWP**
Lyn Erickson, TPB Plan Development and Coordination Program Director
The committee will be briefed on an outline and preliminary budget for the Unified Planning Work Program (UPWP) for FY 2027 (July 1, 2026 through June 30, 2027). The UPWP is an annual statement of work identifying the planning priorities and activities to be carried out within a metropolitan planning area and serves as the TPB staff's work scope for the upcoming fiscal year. A complete draft of the FY 2027 UPWP will be presented to the board for review at its February meeting.

Reasonable accommodations are provided upon request, including alternative formats of meeting materials.

10:35 A.M. 5. 2025 STATE OF THE COMMUTE SURVEY RESULTS
Dan Sheehan, TPB Transportation Operations Programs Director

Staff and the project contractor will present results from the 2025 State of the Commute survey, conducted every three years to assess regional commuting trends. More than 7,500 commuters participated. Findings inform implementation decisions for the regional Commuter Connections transportation demand management program. The committee will also receive a demonstration of a publicly accessible dashboard featuring survey results. A similar briefing will be provided to the TPB in January.

ITEMS FOR INFORMATION

11:05 A.M. 6. MOBILITY ANALYTICS PROGRAM
Timothy Canan, TPB Planning Data and Research Program Director

Staff will brief the Committee on progress to establish TPB's enhanced travel monitoring analysis program, the Mobility Analytics Program. This presentation will provide an overview of the program, recent milestones, and a brief description of the newly established Mobility Analytics Subcommittee, which held its inaugural meeting in December 2025.

11:15 A.M. 7. REGIONAL INVENTORY OF ROADWAY SAFETY STRATEGIES AND PAPER ON THE EFFECTIVENESS OF AUTOMATED TRAFFIC ENFORCEMENT
Janie Nham, TPB Transportation Planner

TPB staff will brief the Committee on findings from its assessment of regional safety activities. Proposed by the TPB as part of the 2024 Regional Roadway Safety Summit, the assessment inventories the activities of member jurisdictions to address roadway safety in the region and attempts to understand the effectiveness of deployed strategies, as well as barriers to implementing countermeasures and programs. Staff will also present a related paper that reviews current research on the effectiveness of automated traffic enforcement.
