Alissa Boggs, COG Staff
Caroline Sherman, COG Extern
Marlee Moore, COG Extern

In response to the Climate, Energy and Environment Policy Committee (CEEPC), COG developed a midcourse review to track progress towards the regional 2030 climate goal to reduce greenhouse gas emissions 50% by 2030. Part of the review included an update to the key performance indicators and developing case studies to highlight local government actions in the region. Alissa Boggs, Caroline Sherman, Marlee Moore will present the draft indicators for the built environment and the case studies.

- 6:30 P.M. 3. COMPREHENSIVE CLIMATE ACTION PLAN**
Emily Carr, ICF

COG, with ICF support, is developing a Metropolitan Statistical Area Comprehensive Climate Action Plan (CCAP) under the U.S. Environmental Protection Agency's Climate Pollution Reduction Grant (CPRG) Program. The DRAFT CCAP will be available and open to public comment in October 2025. ICF will present an overview of the key elements of the plan, including GHG inventory and projections, GHG actions, GHG measures analysis, co-pollutant benefits analysis, and workforce development analysis.
