

Meeting Highlights TPB Technical Committee – October 2, 2026

The Technical Committee met on Friday, October 2, Meeting materials can be found here:
<https://www.mwcog.org/events/2026/10/2/tpb-technical-committee/>

The following items were reviewed for inclusion on the TPB's October agenda:

UPDATE ON THE DRAFT PERFORMANCE MEASURE TARGETS FOR TRAVEL TIME RELIABILITY

The committee received a briefing on the proposed two- and four-year targets for the federal reliability metrics of: Travel Time Reliability-Interstates, Travel Time Reliability-Non-Interstates (NHS), and the Truck Travel Time Reliability Index. The board will be asked to approve the final targets at its October meeting.

DRAFT PERFORMANCE MEASURE TARGETS FOR HIGHWAY ASSETS: PAVEMENT AND BRIDGE CONDITION

The committee received a briefing on the draft four-year target for Pavement and Bridge Condition, as part of the federal performance measure requirements. The board will be briefed on the draft targets at its October meeting and asked to adopt final targets at its November meeting.

COMMUNITY ADVISORY COMMITTEE: RECRUITMENT FOR 2027-2028 COHORT

The committee received a briefing on the recruitment for members of the TPB Community Advisory Committee. Applications will be accepted from October 5 through November 15.

2026 REGIONAL TRAVEL SURVEY UPDATE AND OUTREACH

The committee received a briefing on the 2026 Regional Travel Survey and its outreach efforts. A promotional video was shown, and the committee members were asked to help spread the word about the survey by using the Regional Travel Survey Member Toolkit.

PASSENGER FAST FERRY DISCUSSIONS

The committee received a briefing on regional studies to consider a passenger ferry service the National Capital Region. The idea of a regional passenger ferry service has been discussed and studied since 2001, and more recently examined by the Northern Virginia Regional Commission and the DC Mobility Innovation District. The board will be briefed on the passenger fast ferry at its October meeting.

The following items were presented for information and discussion:

COMPREHENSIVE ECONOMIC DEVELOPMENT STRATEGY (CEDs)

Due to time constraints, the committee deferred this item for the November meeting.

AUTOMATED TRAFFIC ENFORCEMENT RECIPROCITY STUDY FOR DC

The committee received a briefing on the progress of a study of Automated Traffic Enforcement (ATE) Reciprocity.
