DMVMoves: TPB Implementation Role

Action: Adopt Resolution R9-2026 in support of the DMVMoves regional transit initiative.

Background: The board will be briefed on work to date and next steps of the joint COG and WMATA initiative, DMVMoves. This initiative brought the region together to develop a unified vision for transit in the region with a goal to provide a seamless, connected, safe, frequent, and reliable transit system with a dedicated and sustainable source of funding for all transit operators. The TPB supported the initiative and will have an opportunity to provide input on planned next steps.

RE: Endorsement of DMVMoves Plan

Dear Mr. Harris:

The City of Manassas is pleased to offer this letter of support for the DMVMoves Plan as described in Resolution R2G-2025 adopted on November 17, 2025 by the Council of Government (COG) and Washington Metropolitan Area Transit Authority (WMATA) Boards.

The City of Manassas supports the vision and goals of the DMVMoves Plan which is consistent with Manassas 2045 Comprehensive Plan. A robust regional transit system will enhance quality of life, economic development, climate resilience, and equity.

As stated in its 2026 legislative agenda, the City of Manassas supports increased funding for public transit, multi-modal, active transportation and alternative mass transit solutions.

The City appreciates the opportunity to collaborate with the National Capital Region Transportation Planning Board at COG who will act as lead coordinator as well as regional stakeholders for implementation of the DMVMoves Plan.

Sincerely,

Michelle Davis-Younger
