## Department of Transportation

May 18, 2026

The Honorable Neil Harris, Chair  
 National Capital Region Transportation Planning Board  
 Metropolitan Washington Council of Governments  
 777 North Capitol Street N.E., Suite 300  
 Washington, DC 20002-4290

Dear Chair Harris,

The District Department of Transportation (DDOT) requests that the FY 2026-2029 Transportation Improvement Program (TIP) be amended for the projects below:

Name	Funding Types	TIP ID	Total	Years	Fed/State Split	Published Notes
<b>Georgia Ave NW Multimodal Access Improvements: Eastern Avenue to Barry Place NW</b>	5339	T13591	\$8,575,250	2026	80/20	<ul style="list-style-type: none"> <li>Add \$7,325,250(S. 5339) in CON in FY26</li> </ul>
<b>Anacostia River and Bike Connectivity Project</b>	State (NM) STBG	T13917	\$20,264,250	2026 2027	80/20	<ul style="list-style-type: none"> <li>Remove \$300,000 (Local NM) in Planning in FY26</li> <li>Move \$25,000 (STBG) from PLANNING to PE in FY26</li> <li>Add \$18,939,250 (State NM) in CON in FY27</li> <li>Add \$1,000,000 (State NM) in PE in FY26</li> </ul>

**Georgia Ave NW Multimodal Access Improvements: Eastern Avenue to Barry Place NW (TIP ID – 13591)**

This project was included in the air conformity analysis of Visualize 2050 and does not add additional capacity for motorized vehicles. These funds are to install bus priority and safety treatments along Georgia Ave NW in the District. This amendment is needed to utilize available formula funding from previous fiscal years, which will increase the total project cost from \$1,250,000 to \$8,575,250.

**Anacostia River and Bike Connectivity Project**

This project was included in the air conformity analysis of Visualize 2050 and does not add additional capacity for motorized vehicles. These funds will be used to provide a safe travel environment for pedestrians and bicycles along the Anacostia Riverwalk Trrail. This amendment is needed to reflect the

State Non-Match funds that are allocated for the project, which will increase the total project cost from \$325,000 to \$20,264,250.

The funding sources for each project have been identified through the sources mentioned above, so the TIP will remain fiscally constrained. Therefore, DDOT requests that the TPB Steering Committee approve the amendment at its June 5<sup>th</sup> meeting.

We appreciate your cooperation in this matter. Should you have questions regarding this amendment, please contact Zachary Smith at (202) 286-2071 or by e-mail at [Zachary.smith1@dc.gov](mailto:Zachary.smith1@dc.gov). Of course, please feel free to contact me directly.
