Cindy Dyballa, CEEPC Chair, City of Takoma Park Council

10:10 A.M. 2. MEMBER SHARINGS & NEW MEMBER ORIENTATION
CEEPC members and guests
Maia Davis, COG Senior Planner

New members will be introduced, and all members will be asked to participate in a round of introductions. In celebration of the last 15+ years of regional collaborative climate action, members and guests are asked to share a local or regional climate policy, project, or program they are most proud of and share information on an upcoming Earth Month event in their community.

Ms. Davis will provide an overview of the CEEPC committee's history, purpose, and focus areas as well as provide some highlights of the people and programs from the last 15+ years of CEEPC's work.

Action Item: Members are asked to introduce themselves and share their proudest climate moment and Earth Month events.

10:40 A.M. 3. GREENHOUSE GASES AND CLIMATE PROGRESS
Maia Davis, COG Senior Planner

Ms. Davis will provide highlights of COG's final greenhouse gas inventories and a high-level review of the climate progress trends of key performance indicators from the last 15-20 years. This information is incorporated into the draft Midcourse Review Report. CEEPC will be asked to provide comments on the draft report, particularly on the priority focus areas and next step conclusions.

Action Item: Review the draft report and provide comments on next step priorities.

11:00 A.M. 4. RECAP OF DATA CENTER FORUMS AND BOARD INTERESTS

Jeff King, COG Climate, Energy, Air Program Director

COG is hosting a series of forums focused on strengthening local governments' understanding of the data centers and key planning considerations, including industry trends, infrastructure needs, and community considerations. COG recently hosted sessions covering energy and water and briefed the COG Board and will host a third forum focused on land use.
