Re: GRH FY2025 Customer Satisfaction Survey Baltimore Region

The intent of this correspondence is to communicate the status of the Guaranteed Ride Home (GRH) FY2025 Customer Satisfaction Survey Results for the Baltimore Region.

The adopted FY2025 Commuter Connections Work Program (CCWP) called for COG/TPB staff to produce a report based on findings of the GRH Customer Satisfaction Survey for the Baltimore Region. The report is based on analysis of data from survey response collected for GRH trips taken during fiscal year FY2025; period of performance from July 1, 2024, through June 30, 2025. The purpose of the survey is to gauge the level of satisfaction from those who have used the program within the Baltimore metropolitan region.

A total of eight survey responses were received during the fiscal year. Due to the lack of a substantial number of responses to the GRH FY2025 Customer Satisfaction Survey Baltimore region, it was determined that no analysis or report was warranted.
