COMMUTERCASH OVERVIEW

Stacey King Commuter Connections Program Manager

TPB Regional Public Transportation Subcommittee April 22, 2025

Commuter Connections Introduction & Context

Program Background

<u>Mission</u>: Encourage commuters in the National Capital Region to try and adopt the use of alternatives to the single-occupant automobile.

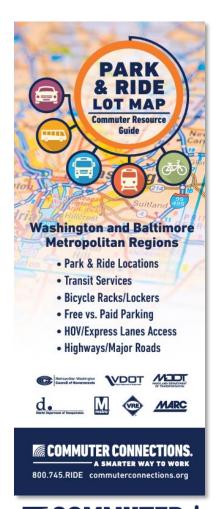

<u>Structure</u>: A network of nearly 30 transportation organizations - including COG, local governments, state DOTs (i.e., program funders), and federal agencies – working to achieve the mission.

<u>Strategy</u>: Transportation Demand Management (TDM) implementation through various programs and services.

 Consistent with Congestion Management Process (CMP) federal requirements and TPB's Visualize 2045 long-range transportation planning goals.

CommuterCash - Overview

- Smartphone based incentive program
- Originally developed by University of Maryland with FHWA grant and collaboration with Commuter Connections
- Commuters track commute trips to accumulate points
- Number of points awarded varies by travel mode and past travel behavior
- Points can be redeemed for a variety of incentives, including cash, SmarTrip fare, and E-ZPass credits
- Maximum incentive of \$600 per calendar year

Trip completed

Rewards redemption

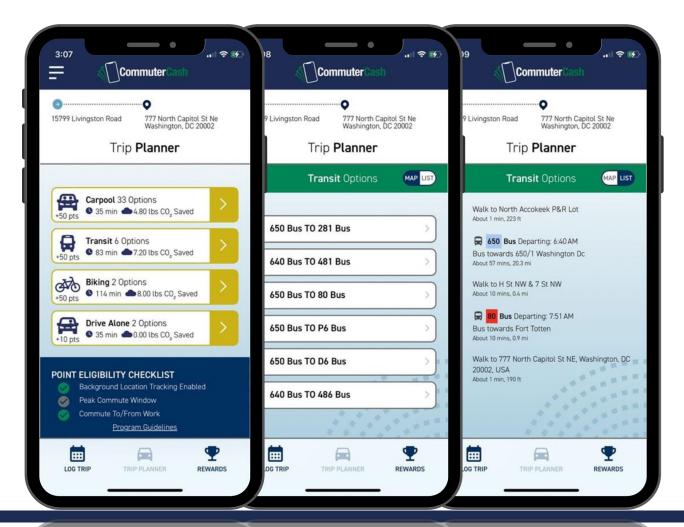

CommuterCash – Trip Planner

- Explore travel options
- Compare travel time, emissions reduction, and points (sustainable trips earn more points)
- Map or List view provides more detailed trip planning support
- Transit trip planning based on Google API

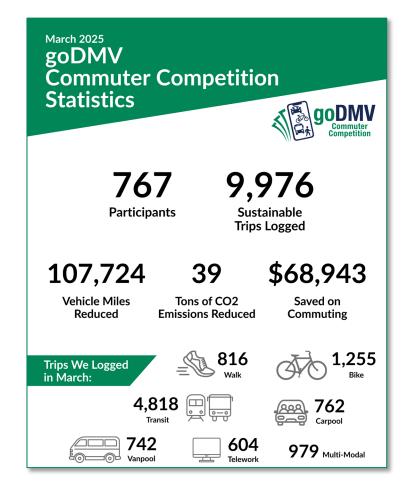

Powering the goDMV Commuter Competition

- Regional competition for commuters and employers
- March 3 May 31
- 6 sustainable trips per day are counted towards leaderboard totals (commute or noncommute)
- Monthly and Grand prizes
